PREHEARING CONFERENCE REPORT

DOCKET NO. 2019-281-S

APRIL 9, 2020

PREPARED BY: Randall Dong

DOCKET DESCRIPTION:

Application of Palmetto Utilities, Incorporated for Adjustment (Increase) of Rates and Charges, Terms and Conditions, for Sewer Service Provided to Customers in Its Richland and Kershaw County Service Areas

REPORT:

The Conference was held by telephone. Commission personnel on the call were Randall Dong, David Butler, Jerisha Dukes, and Ginger Crocker. John Hoefer represented the Applicant. Jeff Nelson represented the ORS. Roger Hall represented the Department of Consumer Affairs. Lisa Levine appeared pro se as an intervenor.

Randall Dong stated that he had initiated the call to discuss the adoption of a new procedural schedule for the docket after the Applicant had agreed to stay proceedings for 60 days. Ginger Crocker reported that the General Assembly had not adopted the Continuing Resolution, and that the timing of Commissioner elections was therefore uncertain. Counsel discussed the potential impact of the change in the membership of the Commission upon the proceedings in the docket. John Hoefer suggested that the parties confer and develop a proposed schedule to submit to the Commission. Randall Dong advised the parties that they should share any proposal by email to all, and all agreed. The call was then ended.
